Imagine hearing a knock at the door and opening it to find a regally dressed man. This solemn-faced gentleman asks your name and then carefully hands you an envelope embossed with your initials and closed with a liquid seal. He then does the unthinkable, he literally bows as he states, "Welcome to the royal family, Princess." Doesn't your heart begin beating faster just thinking about this scenario? Yet, for all Christian women this fairy tale is true. We have been invited into the royal family and we do carry the title of 'Princess'! This devotional will take you through the process of embracing your royal status and approaching each day as a daughter of the most High King. The literacy strategies will also empower you to improve your reading and writing skills and pass them on to those you love. The Princess Journal is for any woman who wants to look in the mirror and think, "I am important. I am special. I have a big mission to accomplish!"
